

WELCOME TO SEEHOF HOTEL DU LAC

Tradition Meets Modernity

Since 1838, Seehof Hotel Du Lac has welcomed guests from around the world to the shores of Lake Lucerne. As one of the region's oldest hotels, we combine a rich tradition with warm hospitality and invite you to enjoy unforgettable moments in our unique lakeside setting.

Our head chef, Simon Welle, and his team create seasonal dishes using fresh market produce, sourced from local suppliers whenever possible.

All our dishes are homemade with care and prepared to the highest quality standards.
